Comprehensive Care Beyond the Basics.

Today more and more adults between the ages of 30 and 60 years are faced with competing demands for their time, energy and resources. They are forced to balance the needs of raising their own children, meeting the demands of their careers and caring for their aging parents.

Calling all Caregivers!!!

Group meets 1st Tuesday of each month at 10:00 am
At the Gulfside Regional Hospice—6117 Trouble Creek Road, New Port Richey

Are you caring for a loved one with long-term health concerns? Supportive family members coping with Alzheimer's, Cardiac, Pulmonary, Renal, Macular Degeneration, or other health problems are urged to join our Caregiver's Support Group on the first Tuesday of each month at 10:00 am..

Aging Assistance, Inc., a Care Management Company, is proud to sponsor this event. This group meets at the administrative offices of Gulfside Regional Hospice, 6117 Trouble Creek Road, New Port Richey.

The purpose of the meetings is to provide support, information, and an opportunity to make new friends. A special guest speaker is featured each month.

Who are Geriatric Care Managers?

Geriatric Care Managers are professionals who specialize in assisting older and disabled adults and their families who are in need of help with long-term care arrangements. They are available 24/7 for emergencies and help facilitate and monitor care of the client. They have in-depth knowledge of available services in the community that can benefit the client and they form a comprehensive plan coordinated with the family and/or client for their future needs.

When to use Geriatric Care Managers?

- Care managers can assist when you are searching for answers and struggling to find direction regarding elder concerns.
- A crisis has occurred with a loved one's health or mental status
- You or a loved one may be unsafe in a current living situation
- A family is having difficulty getting answers about a loved one's care

Who uses Geriatric Care Managers?

- Older adults and families residing locally and out of town
- Financial institutions, Trust Officers, Accountants, Financial Planners and Attorneys and Guardians
- Physicians, Allied Health Professionals, Hospitals
- Social Service Providers and Senior Housing communities
