Welcome to Pets-List

Welcome to Pets List, a registry for your pets in case of an emergency. Are you worried about who is going to take care of your pets if something should happen to you??

Pets List provides an easy-to-use graphical interface that simplifies the registry of your pet's information. The information is stored in our data banks and available to your pet's assigned contacts in the event of an emergency.

Membership

Annual Membership fee is \$34.99

This membership entitles the member 1 year of 24 hours a day emergency reporting service to their designated contacts in the event of an emergency. You will receive 1 credit card size and 2 key tag size Pets List cards with your membership number. The 1 800 Pets ICE number can be called 24 hours a day! Pets-List will then contact your designated contacts so that your pets will be taken care of in the event of an emergency. This service is for any pet owner that has concerns about the welfare of their pets.

This membership is nonrefundable.

Your Membership Helps Support Charitable Animal Organizations

For each membership, Pets List will donate \$1.00 to each of the 7 different animal organizations we have chosen. With your membership, you will be safe guarding your pets while helping the less fortunate!
